Type of Case: (42) Other Complaint

The PEOPLE OF THE STATE OF CALIFORNIA, by and through Dennis J. Herrera, City  
Attorney for the City and County of San Francisco, allege as follows:

**INTRODUCTION**

1. Defendant DARRION RUCKER aka DARRION LAPARIS RUCKER  
(DEFENDANT) is creating a public nuisance in the Tenderloin neighborhood of the City and County  
of San Francisco, by his participation in the illegal sale of controlled substances. The Tenderloin is a  
diverse neighborhood located in the very heart of San Francisco. The Tenderloin is home to families,

1 children, seniors, singles, people with disabilities, and recent immigrants, comprising all gender  
2 identities and sexual orientations, many ethnicities, and speaking many languages. There are  
3 elementary and middle schools, pre-schools, daycares, and agencies helping people who are trying to  
4 recover from drug addiction. But the Tenderloin neighborhood is plagued by drug dealers including  
5 DEFENDANT, who come to the Tenderloin to illegally sell heroin, fentanyl, cocaine,  
6 methamphetamine, and other controlled substances. DEFENDANT is one of many creating an open-  
7 air drug market that harms Tenderloin residents and other San Franciscans who live, visit, and work  
8 there. This must stop. The PEOPLE OF THE STATE OF CALIFORNIA are seeking multiple  
9 injunctions against individuals who, like DEFENDANT, are openly selling narcotics in the  
10 Tenderloin. This Court should order DEFENDANT to stay away from the Tenderloin and help protect  
11 this community and make it a safe and healthy place to live for all its residents.

## 12 **PARTIES**

13 2. Plaintiff PEOPLE OF THE STATE OF CALIFORNIA, by and through Dennis J.  
14 Herrera, City Attorney for the City and County of San Francisco (PLAINTIFF or PEOPLE), brings  
15 this action pursuant to California Business and Professions Code sections 17200 and 17204, California  
16 Civil Code section 3494, and California Code of Civil Procedure section 731.

17 3. Defendant DARRION RUCKER aka DARRION LAPARIS RUCKER  
18 (DEFENDANT) is an individual who, on information and belief, resides in Oakland, California.

## 19 **VENUE**

20 4. Venue is proper in this Court under Code of Civil Procedure section 392(a) and Code of  
21 Civil Procedure section 393(a), and each of them.

## 22 **THE TENDERLOIN NEIGHBORHOOD**

23 5. The Tenderloin neighborhood is located in the center of San Francisco, and is one of  
24 the oldest parts of the City. It abuts the city, state, and federal buildings that comprise the Civic  
25 Center. It is also one of the most densely populated areas of the City, with approximately 28,200  
26 people living within its 50 square blocks.<sup>1</sup> Almost half of the population is foreign born and nearly a

Community Survey 2012-2016 (2018), at p. 78.

1 quarter of households are linguistically isolated, meaning that all household members aged 14 years  
2 and older speak a non-English language and speak English less than “very well.”<sup>2</sup> The neighborhood is  
3 also more diverse than the City as a whole, with its residents being 31 percent Asian, 10 percent  
4 African American, 43 percent White, 1 percent Native American, 23 percent Latino, and 15 percent  
5 mixed race.<sup>3</sup> At 30 percent, the Tenderloin’s poverty rate is almost three times higher than the City’s  
6 as a whole.<sup>4</sup>

7 6. Official census data reports 2,256 children live in the Tenderloin.<sup>5</sup> The density of  
8 children in the Tenderloin is about three times higher than the rest of the City.<sup>6</sup>

9 7. The Tenderloin is also home to institutions that serve vulnerable populations. There is a  
10 large public elementary school, where the vast majority of young students qualify for free or reduced  
11 price lunch and the majority of whom are English language learners, a small private elementary school  
12 offering sliding scale tuition, and a Catholic middle school that charges no tuition to many local  
13 students. The Tenderloin also hosts numerous childcare, daycare, and afterschool programs. San  
14 Francisco’s Department of Public Health Primary Care sites in the Tenderloin include the Larkin  
15 Street Youth Center Clinic, Curry Senior Center, Tom Waddell Urban Health Clinic, and Medical  
16 Respite & Sobering Center.<sup>7</sup> The Tenderloin is also home to numerous housing and shelter services,  
17 including transitional housing facilities for individuals reentering society from the criminal justice  
18 system, many of whom are battling drug addiction.

8. The Tenderloin has many inexpensive restaurants, corner stores, and other small businesses, many of which are owned and operated by immigrants who are struggling to attract customers, pay for insurance, and stay afloat.

**THE ILLEGAL SALE OF CONTROLLED SUBSTANCES IS A PUBLIC NUISANCE IN THE  
TENDERLOIN**

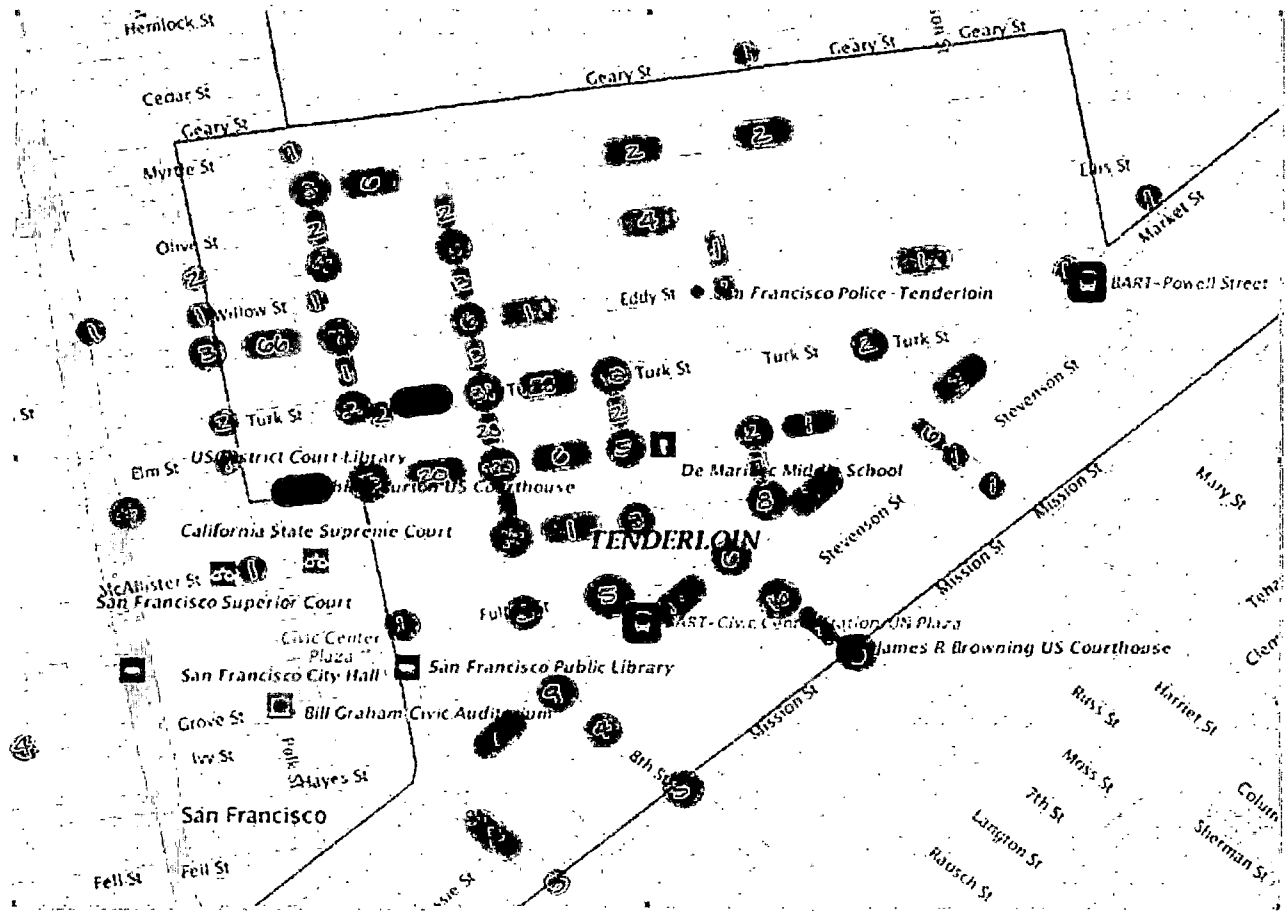

9. The Tenderloin is the epicenter of illegal drug sales in the City. Open-air drug dealing has been a pervasive and ubiquitous feature of the neighborhood for years, but the situation has worsened in recent years and months. Much like the COVID-19 pandemic, the lack of an effective response has led to an exponential increase in the amount and impact of drug dealing on the neighborhood. In fiscal year 2017-2018, more than half of the 883 individuals arrested or cited by the San Francisco Police Department (SFPD) for drug sales in the City were arrested or cited in the Tenderloin.<sup>8</sup> The most common drugs sold are cocaine base/rock, heroin, and methamphetamine.<sup>9</sup>

<sup>9</sup> *Id.* at p. 2.

10. From June 1, 2019 through June 19, 2020, over 580 arrests were made in the Tenderloin area for drug sales and for possession of drugs for the purpose of sales. These arrests were primarily for dealing fentanyl, heroin, cocaine, and methamphetamine. The map below displays the number of arrests at each location during that period.

Between June 20, 2020 and September 13, 2020, there were more than 150 new arrests in the Tenderloin area for sales or possession for sales of narcotics.

11. Some street level drug dealers sell to pedestrians or people in vehicles directly, some by use of hooks (people who signal to attract customers), lookouts, and holders. "Holders," in particular, are important players in the Tenderloin drug market. Drug sellers often use holders to store the bulk of their product while they conduct individual sales. Sellers do this to minimize the quantity of narcotics in their possession, to avoid the more severe charges and the longer sentences that would follow from

1 their arrest, and to minimize the chances that a buyer will rip them off. Many holders possess a  
2 significant quantity and large variety of drugs. Sometimes, a seller will pay the holder in drugs.

3 12. Drug dealers congregate on the corners of Tenderloin streets, forcing residents to  
4 navigate a gantlet of drug transactions as they walk to work, school, or to essential services like  
5 grocery stores and health care providers. Tenderloin residents are also subject to other physical signs  
6 of narcotics activity, like narcotics waste including used crack pipes, burnt pipe mesh, dirty syringes  
7 and used narcotics in various forms. Additionally, Tenderloin residents are endangered by the  
8 increased violence involved in narcotics disputes between dealers and buyers as well other criminal  
9 and erratic conduct of the addicted. One of the most important initiatives to assist Tenderloin children  
10 has been the creation of "Safe Passage" a volunteer-led program that helps shield young students from  
11 the violence and ravages of the open-air drug market as they navigate their route to and from school  
12 and other activities.

13 13. Narcotics transactions contribute to the harmful health consequences throughout the  
14 area. Trash, litter and debris thrown in the streets of the Tenderloin have been a source and  
15 proliferation of disease in this area. This year to date, District 6, which includes the Tenderloin, has the  
16 highest number of complaints lodged with San Francisco's customer service hotline 311. In the past  
17 year, San Francisco's 311 hotline has received 3,393 complaints in the Tenderloin for "human waste  
18 or urine," nine complaints about "20 or more needles" and 567 complaints for less than 20 needles.  
19 Representative complaints include: "URGENT needles and debris IFO school entrance," "[t]here are  
20 needles all over. . . . There is at least one needle that is exposed and children are in[ ]the area." ;  
21 "Needles all up and down Jones seen kids walking thru them." Discarded drug paraphernalia  
22 contribute to this unsanitary environment and blight as they are ever-present on the streets and  
23 sidewalks where business owners, school children, and community members encounter them on a  
24 daily basis.

25 14. With drugs available in abundance, block after block, public drug use is common. At all  
26 hours of the day and night, narcotics users can be seen injecting narcotics and other drugs on the  
27 public streets, sidewalks, in and around alcoves and entry ways of businesses and restaurants. Blatant  
28

1 and open-air drug sales are common. Drug dealers are open for business on public streets and  
2 sidewalks at all hours of the day and night.

3 15. Given the concentration of drug sales in the Tenderloin, it is unsurprising that drug  
4 overdoses are also a common occurrence in the neighborhood. Between 2011 and 2015, drug overdose  
5 was the leading cause of death in the Tenderloin.<sup>10</sup> By comparison, heart disease was the leading cause  
6 of death in the City as a whole, and drug overdoses did not even fall within the top five leading causes  
7 of death for residents outside the Tenderloin.<sup>11</sup> Since 2015, drug overdoses have only been increasing.  
8 In 2017, the Department of Public Health reported that approximately one third of all overdose deaths  
9 in San Francisco occurred in the Tenderloin and South of Market neighborhoods.<sup>12</sup> In 2019, 441  
10 people died from drug overdoses in San Francisco—a rate of more than one per day. There were 239  
11 deaths from fentanyl overdose alone in San Francisco last year. This was more than double the number  
12 of fentanyl overdose deaths in 2018. The Tenderloin has the highest overdose mortality rate of any  
13 neighborhood in the City.<sup>13</sup> In January 2020, the San Francisco Board of Supervisors unanimously  
14 passed a resolution declaring drug overdose deaths a public health crisis.<sup>14</sup> In that resolution, which  
15 called for a public health plan, the Board requested a plan for “stopping the flow of deadly drugs into  
16 San Francisco.”<sup>15</sup>

17 16. The high concentration of drug sales in the Tenderloin contributes to the high rate of  
18 other crimes in the neighborhood. Historically, overall crime rates in the Tenderloin are about three  
19 times higher than in the city overall on a per capita basis.<sup>16</sup> In 2020, there have been 2 homicides, 7  
20 rapes, 179 robberies, 174 assaults, 1 human trafficking sex act, 142 burglaries, 85 motor vehicle thefts,

1 6 arsons, and 527 larceny thefts.<sup>17</sup> These crime rates leave Tenderloin residents and workers feeling  
2 less safe. In 2019, the Tenderloin had the second-lowest safety ratings in City, with only 37.8 percent  
3 of residents feeling safe or very safe at night.<sup>18</sup>

4 17. As a result of DEFENDANT's illegal drug sales in the Tenderloin Drug Abatement  
5 Area as alleged herein, the community, businesses, and residents living, studying, playing, growing,  
6 and working in and around the Tenderloin Drug Abatement Area have suffered and continue to suffer  
7 from fear, intimidation, and lack of free use of property and quiet enjoyment of life in and around the  
8 Tenderloin Drug Abatement Area.

**DEFENDANT'S ROLE IN THE ONGOING PUBLIC NUISANCE IN THE TENDERLOIN  
DRUG ABATEMENT AREA**

19. DEFENDANT DARRION RUCKER aka DARRION LAPARIS RUCKER was born in 1995 and resides in Oakland, California. However, DEFENDANT comes to the Tenderloin for the purpose of engaging in the illegal sale of controlled substances. DEFENDANT is engaged in this conduct in the Tenderloin Drug Abatement Area, which is causing an ongoing public nuisance and ongoing violations of the Unfair Competition Law.

20. On August 12, 2019, at Leavenworth Street and Golden Gate Avenue in San Francisco's Tenderloin Drug Abatement Area, DEFENDANT possessed 3.8 grams of heroin for the purpose of sale. During a search of DEFENDANT, officers also recovered cash and two cell phones. The San Francisco District Attorney's Office charged DEFENDANT with felony violations of Health & Safety Code sections 11351 (possession with intent to sell a controlled substance) and 11351.5 (possession with intent to sell a controlled substance). The criminal case was dismissed.

21. On September 27, 2019, at Leavenworth Street and Turk Street in San Francisco's Tenderloin Drug Abatement Area, DEFENDANT possessed the following drugs for the purpose of sale: 0.4 grams of methamphetamine; 9 tablets of codeine; 16 tablets of diazepam; 1 tablet of amphetamine; and 4 tablets of alprazolam. During a search of DEFENDANT, officers also recovered a Glock BB gun.

22. On August 13, 2020, at 370 Turk Street in San Francisco's Tenderloin Drug Abatement Area, DEFENDANT and his companion, Norman Gallegos-Suarez, sold 1 bindle of heroin (0.3 grams) to a pedestrian. The pedestrian approached Gallegos-Suarez with money. Gallegos-Suarez took the money from the pedestrian and called out to DEFENDANT. DEFENDANT then handed the heroin to Gallegos-Suarez, who handed it to the pedestrian. During a search of DEFENDANT, officers recovered the following: 20 baggies of methamphetamine (8.7 grams); 40 bindles of heroin (18.6 grams); 22 baggies of cocaine salt (3.5 grams); and a scale. During a search of Gallegos-Suarez, officers recovered the following: 45 baggies of cocaine base (11.4 grams); 9 baggies of cocaine base (2.8 grams); and cash. The San Francisco District Attorney's Office charged DEFENDANT with felony violations of Health & Safety Code sections 11352(a) (sale of a controlled substance), 11351

(two counts), 11351.5 (possession with intent to sell a controlled substance), and 11378 (possession with intent to sell a controlled substance). The case, criminal court no. 20008918, is currently pending as of the date of filing this Complaint.

23. DEFENDANT's conduct is unlawful under the following statutes, among others: Penal Code section 182(a)(1) (conspiracy), and Health & Safety Code sections 11351 (possession with intent to sell a controlled substance), 11351.5 (possession with intent to sell a controlled substance), 11352(a) (sale of a controlled substance), and 11378 (possession with intent to sell a controlled substance).

24. Upon information and belief, DEFENDANT is also known by the nickname "Chicago."

#### **FIRST CAUSE OF ACTION FOR PUBLIC NUISANCE**

25. The PEOPLE incorporate by reference all of the preceding paragraphs of the Complaint.

26. DEFENDANT's nuisance conduct, including the illegal sale of controlled substances, has created conditions in the Tenderloin Drug Abatement Zone which are injurious to health, indecent or offensive to the senses, obstruct the free use of property, interfere with the comfortable enjoyment of life or property, and/or unlawfully obstruct the free passage or use of public parks, streets, sidewalks and highways, in violation of Civil Code section 3479. DEFENDANT's conduct amounts to a public nuisance in that it affects at the same time an entire community or neighborhood, and a considerable number of persons, within the meaning of Civil Code section 3480.

27. DEFENDANT knew or should have known that DEFENDANT's conduct was creating a public nuisance in the Tenderloin Drug Abatement Area, as alleged in the Complaint, but failed to take reasonable steps to abate the public nuisance.

28. DEFENDANT has engaged in, and will continue to engage in, the illegal sale of controlled substances and other nuisance activity in the Tenderloin Drug Abatement Area.

29. The PEOPLE have no adequate remedy at law, in that damages are insufficient to protect the public from the present danger and harm caused by the DEFENDANT's conduct. Unless injunctive relief is granted to enjoin DEFENDANT, the public will suffer irreparable harm.

1           30. Unless DEFENDANT's public nuisance conduct is abated, the community, the  
2 neighborhood, and the residents of San Francisco will suffer irreparable injury and damage, in that  
3 said conditions will continue to be injurious to their enjoyment of life and free use of property and  
4 public space.

5           31. Unless enjoined, DEFENDANT will continue to cause a public nuisance in the  
6 Tenderloin Drug Abatement Area.

7           32. DEFENDANT should be ordered to stay away from the Tenderloin Drug Abatement  
8 Area at all times.

9       **SECOND CAUSE OF ACTION FOR VIOLATION OF THE UNFAIR COMPETITION LAW**

10          33. The PEOPLE incorporate by reference all of the preceding paragraphs of the  
11 Complaint.

12          34. The PEOPLE bring this cause of action in the public interest pursuant to Business and  
13 Professions Code sections 17200 *et seq.* (UNFAIR COMPETITION LAW or UCL).

14          35. DEFENDANT is in the business of illegally selling controlled substances within the  
15 Tenderloin Drug Abatement Area in the City and County of San Francisco. The violations of law  
16 described herein have been and are being carried out wholly or in part within the City and County of  
17 San Francisco.

18          36. The actions of DEFENDANT are in violation of the laws and public policies of the City  
19 and County of San Francisco and the State of California, and are inimical to the rights and interest of  
20 the general public.

21          37. Through the conduct described above, DEFENDANT has engaged in unlawful and  
22 unfair business practices prohibited by the UCL, including by violating the public nuisance laws and  
23 by violating the Penal Code and the Health & Safety Code as alleged above.

24          38. DEFENDANT has engaged in, and will continue to engage in, unlawful and unfair  
25 business practices in the Tenderloin Drug Abatement Area.

26          39. The PEOPLE have no adequate remedy at law, in that damages are insufficient to  
27 protect the public from the present danger and harm caused by DEFENDANT's conduct. Unless  
28 injunctive relief is granted to enjoin DEFENDANT, the public will suffer irreparable harm.

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.
